CONDITIONS OF SALE.

1.—The highest bidder, if in due time, to be the purchaser, but subject to the Auctioneer reserving the right of refusing the bidding of any person he pleases, and should any dispute arise between two or more approved bidders, or between the Auctioneer and any approved bidder, the Auctioneer may either determine the dispute himself or may put up the lot in dispute again at the highest undisputed bidding. The Vendors reserve the right to bid for and to withdraw any lot or part of lot previously or at the time of sale.

2.—No person to advance a less sum at each bidding than shall be mentioned by the Auctioneer at the time of sale, nor be allowed to retract a bidding.

3.—Each Purchaser is required to pay down immediately a deposit of five shillings in the pound, or such other sum as the Auctioneer may name, in part payment (each deposit to be applicable to any lot or all lots purchased), and to fill in the slip provided in this catalogue with his or her name and address and hand the same to the Auctioneer's clerk on making the first purchase; in default of which the lot or lots so purchased to be at the disposal of the Auctioneer.

As the whole is on view, no warranty is given or to be implied by the description in the catalogue.

5.—All lots from the time of sale to be at the Purchaser's risk, and to be liable to any expenses that may arise from their not having been cleared in accordance with the fourth condition.

6.—The Purchasers to be answerable for all damage they may do to any lots, or to the premises, in taking down, or removing their respective lots, principals being responsible for the acts of their servants, and to pay for or properly repair the same before their lots are removed from the premises.

7.—Inasmuch as the Auctioneer acts only as agent for the Vendors, he shall not be considered personally responsible for any default on the part of either Purchasers or Vendors.

8.—The Vendors reserve the right to the Auctioneer of placing two or more lots together, should that course be deemed advisable, also of making an allowance for the whole or any portion of a lot not delivered from any cause whatsoever—at the same rate at which such lot was purchased.

9.—Upon failure of complying with the above conditions, the money deposited to be forfeited; the lots uncleared within the time aforesaid to be re-sold, either by public sale or private contract, and the deficiency (if any) by such second sale together with all charges attending the same, shall be made good by the defaulter or defaulters at this present sale, and be recoverable as and for liquidated damages, but any surplus that may arise therefrom shall belong solely to the Vendors. This condition is without prejudice to the right of the Vendors to enforce the contracts made at this sale.

LASTLY.—*The Auctioneer shall be the sole arbitrator in all matters of dispute relating to these conditions, both as between the Vendors and the Purchasers or between the several bidders or purchasers.*
